You can now access MCC on the web. Visit [www.MCCNEVADA.COM](http://www.MCCNEVADA.COM) to perform the following functions without having to make a phone call.

**PROVIDER DIRECTORY**—All MCC Provider Directories can be found on-line; AlterNet, SPO, IMN, and Cigna Referral Directories (PAL). Here you can do a provider look-up, check for a Cigna PAL referral doctor for your patient, or find a doctor for a Worker’s Compensation case. We have made it easy for you too! You can do searches by provider name, specialty or zip codes. The on-line provider directory is updated once a week. Use it for a more reliant source.

**JOIN THE MCC NETWORK**—Are you interested in joining our network? Is there a fellow doctor your patients would like to see on our network? Visit our website and complete the initial re-credentialing forms for our Medical Directors to review.

**MAKE CHANGES**—Now you can complete the proper change forms for address, TIN or other changes that may apply to the doctor or practice on our network. Remember to compare your information to what we have in our printed version and website version of the Provider Directory. If there are changes required, please fill out the appropriate form and return to our Provider Relations department so we can make the change immediately.

**DOWNLOAD PROVIDER UM FORMS**—For a quicker response time, download and complete status request, referral request, and preview certification system forms on-line.

**NETWORK NEWS**—Lost the Network News? Need more than one copy in your office? You can simply print the information your need from our website.

**FAQ’s**—Read the most Frequently Asked Questions, and submit your own for quick references.

**CONTACT US**—Send an email to our customer service, provider relations, TPA, Worker’s Compensation, or UM department.

**SUGGESTIONS**—Have a good idea? Want to make a suggestion? Fill out our “I Have an Idea” form on our website and if we use your idea, we will feature you on our site!
