

HOW TO READ AND UNDERSTAND YOUR EXPLANATION OF BENEFITS (EOB) STATEMENT FOR PROVIDERS

An EOB is an Explanation of Benefits. This is a document that is sent to the member's home by MCC, Inc. It usually has "**This is not a bill**" stated on the Explanation of Benefits. This document explains how benefits were processed by the Plan on either the member or a dependent that had services rendered. It may also show what charges have been applied to the deductible, coinsurance or copayments. The provider receives this same information either attached to the benefit check or, in the case no payment is forthcoming, by a separate Explanation of Benefit.

The following information provided will help you understand the member's Explanation of Benefits.

1. This box provides general information about the claim (such as the member's name and social security number, group number, patient name, claim number, patient ID number for provider, and date printed.)
2. The ****PATIENT RESPONSIBILITY**** box tells the member how much of the total amount the member is responsible for paying. (The members is not responsible for any network discount.)
3. Employee's name and address.
